Emergency Procedures:	**24hr Emergency No. 0800 CHEMCALL (243 6225)** Australia 1800 127 406 Other locations +64 4 917 9888
Vehicle	Switch off engine and electrical equipment. Keep people away and warn traffic. Check for spills/leaks. Call emergency services.
Spill	Slippery. Do not walk through spilled material. Stop leak if safe to do so. Contain spillage with sand or earth. Prevent product entering waterways, drains, and confined areas.
Fire	Use equipment/media appropriate to surrounding conditions. Use water fog, alcohol foam, carbon dioxide, dry chemical type extinguishers.
First Aid Actions: If exposed or concerned, get medical attention/advice. If medical advice is needed, have product container or label at hand.	
If swallowed	Do not induce vomiting. Obtain emergency medical attention.
If in eye	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
If on skin	In case of skin contact, remove contaminated clothing and wash skin with soap and water. Launder or dry-clean clothing before reuse. Prolonged or repeated skin contact may cause skin irritation.
If inhaled	Move to clean air and make comfortable in a position making breathing easy.

Storage and Segregation Requirements
